

Remarks

The present amendment and request for reconsideration is made in response to the Office Action mailed Jan. 17th, 2007, the period of response having been extended until June 17, 2007. Claims 1- 27 remain pending in the application.

In the Office Action, Claims 1 – 27 were allowed and Claim 28 was rejected. In order to advance prosecution of the application, applicant cancels claim 28 without prejudice for possible pursuit in a related application.

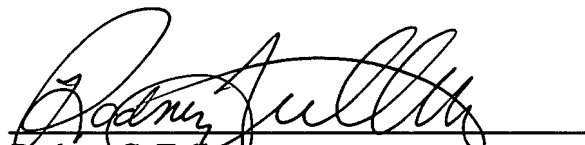

In light of the above, it is submitted that all claims are in condition for allowance. It is therefore requested the Examiner pass this case to issue at the earliest possible date.

Respectfully submitted,
